

The Little Tree Play School

January Newsletter Happy New Year!!

Birthdays:

No January Birthdays

Welcome

Welcome to the Berkquist family!!!

Open House

On Jan.28, from 10-1 we will be having an Open House! If you have any friends or neighbors who are looking for child care, please invite them!

Congratulations

Teacher Ceroya!!!!

As you have probably already heard- Teacher Ceroya is expecting a baby! She is super excited, and I can't help but be brimming over with excitement and joy for her and the baby! Ceroya is already 5+

months and she says she feels great!

Parent - Teacher Conferences

During the weeks of the 17th - the 31, Teacher Ceroya and I will be available to meet with you to go over your child's progress this school year. This is an excellent opportunity to see what your child has been working, what they have accomplished, and where they might need some support at home to master a goal.

The sign-up sheet is on the classroom door. If your family chooses to opt-out of this round of conferences, just sign a waiver form. This does NOT mean you can't take part in our May- June conferences before this school year ends.

Full Day Program

If you would to add more days, or hours to your child's existing schedules, we can do that right now. We have the availability to accommodate your needs at this time.

If finances are a factor, please come see me about a possible scholarship.

Wreath Making and Christmas Party

What a fun party we had in December! Thank you to all the families who came and participated in bringing yummy food, and making such beautiful wreaths. We had a great time and we're so lucky to have been able to share Christmas fun with you all!

7275 Santa Teresa Blvd.
408-972-9200

Upcoming Family Events:

1/21—Anchors Away

Come and let your child make a boat that actually floats. 11-3 at Lakeshore-Bascom Ave FREE

1/21- Morning Farm Tour

Taste roots, see a pig and learn about sheeps and sweaters on this guided tour. Hidden Villa- Los Altos FREE

1/22 Wild Cat Adventure-

See wild cats up and personal and learn about their habitats and how to save them from extinction.

2pm at Foothill College \$10 adults and \$5 for children.

What's Happening in this Classroom this Month?

This month's theme is Snow and Weather. We will learn about what is snow, what animals learn and survive in the cold, and rain and weather. Also for science, we will learn about the life cycles of the animals who live in extreme weather condi-

tions, do ice painting, and continue to play in the snow I made for the kids! They love it!

Also this month, we will continue our writing, tracing and number fun. Towards the end of the month, we will introduce the ABC's and will learn a

new letter each week until June, this includes tracing, writing and projects that are focused on that letter for maximum retention and fun!

Have a great month!

1/28 Groundhog Puppet Making

Come and make a groundhog puppet to celebrate the changing of the seasons.

Lakeshore on Bascom Ave
